Fratelli Sicilia nasce dalla nostra storia di famiglia e dai valori che ci hanno trasmesso i nostri nonni.

A long history of traditions and values handed down from our grandparents to us. Fratelli Sicilia plunges its root into the rich family heritage.

Piero e Salvo Motta.

Una produzione artigianale interamente Made in Sicily che avvolgerà il palato e i sensi sin dal primo assaggio.

Siamo i fratelli Motta: Piero, inventivo ideatore delle dolci creazioni. Salvo, tenace e intraprendente con la passione per le grandi imprese. Con un pizzico di fantasia e tanta voglia di metterci in gioco, insieme nel 2016 abbiamo realizzato il nostro sogno che alimentiamo ogni giorno con dedizione e passione.

Il nostro ingrediente segreto? Un'autentica passione per la pasticceria siciliana artigianale unita alla minuziosa ricerca di materie prime locali e di qualità. Vogliamo raccontare gli autentici profumi e sapori della Sicilia tramandati nel tempo attraverso quello che amiamo fare di più: i dolci.

Entirely Made in Sicily, our handcrafted products entice the eyes and the palate at first taste.

With pleasure, we'd like to introduce ourselves. We are the Motta brothers: Piero is the inventive creator of sweet delicacy. Salvo is determined and dynamic, an enterprise aficionado. Taking ourselves on new challenges with remarkable passion and a pinch of imagination, we've made our dream come true.

Maybe you wonder which is our secret ingredient? Simply our authentic passion for Sicilian pastry along with a careful research of local and high quality raw materials. We're enthusiastic to transmit you the authentic aromas and flavours of Sicily through our sweet creations.

Enjoy with us!

Materie prime d'eccellenza rendono ogni creazione una vera e propria opera d'arte culinaria.

Authentic masterpiece of pastry, our creations are made of cherished and refined raw materials.

Ingredienti siciliani sinonimo di genuinità

Selezionate farine delle vicine colline ennesi, fresche uova provenienti da galline allevate a terra, pistacchio siciliano, finissimo cioccolato puro, uvette sultane e profumati agrumi di Paternò: un ricco paniere di pregiati ingredienti dalle deliziose ed esclusive proprietà organolettiche. L'accurata ricercatezza delle materie prime locali, lavorate con massima cura senza aggiunta di conservanti e aromi artificiali, rende i prodotti Fratelli Sicilia inimitabili nel gusto e genuini nella sostanza.

Authenticity of Sicilian ingredients

Selected flours from the nearby Enna hills, fresh eggs from free-range hens, Sicilian pistachio, exquisite pure chocolate, raisins and fragrant citrus fruits from Paternò: a precious basket full of local ingredients of exclusive organoleptic properties, carefully processed to make Fratelli Sicilia products inimitable and healthy.

Cultura agroalimentare alle pendici dell'Etna. Discovering sicilian food traditions at the foot of mount Etna.

Fratelli Sicilia nasce a Paternò, una cittadina alle pendici del maestoso vulcano Etna, secolare teatro di numerosi insediamenti di popoli provenienti da ogni parte del mondo, ognuno con un proprio bagaglio culturale e culinario. L'assidua interazione tra le diverse culture nel corso dei secoli ha dato vita ad una straordinaria fusione di tradizioni, tra cui anche quella dolciaria arrivata fino a noi.

Oggi la città deve la sua notorietà alla coltivazione dei profumati agrumi siciliani: arance rosse, mandarini e limoni sono le principali materie prime che valorizziamo nella nostra produzione per rendere omaggio alla città che ci ha dato i natali e che portiamo nel cuore con orgoglio.

Fratelli Sicilia grows up in the pretty centre of Paternò: situated on the slopes of the majestic volcano Etna, this town has always been the centuries-old theater of numerous settlements of peoples who came from all over the world, and each one with its own cultural and culinary background. Over the centuries, the assiduous interaction among these different cultures has given rise to extraordinary fusion of traditions coming down to us so far.

Nowadays, Paternò owes its fame to precious cultivations of fragrant Sicilian citrus fruits as oranges, tangerines and lemons that we value in our pastry creations as a tribute to the country that gave us birth. We're so proud to be Sicilian.
